Simon Fraser University
is a comprehensive, urban university located in Burnaby, British Columbia, Canada. SFU is one of the most diverse universities in North America, with over 25,000 students from more than 120 countries. The university offers a wide range of undergraduate and graduate programs in fields such as business, engineering, science, social sciences, and arts. SFU is known for its commitment to research and innovation, and has made significant contributions to fields such as environmental science, technology, and social justice. The university is also recognized for its beautiful campus, which features numerous green spaces, modern architecture, and state-of-the-art facilities. SFU is a leader in sustainable development, and has been ranked among the top universities in the world for its environmental performance. The university is also committed to diversity and inclusion, and has a strong record of supporting underrepresented groups in education and research. SFU is a vibrant community that values academic excellence, social responsibility, and personal growth.
